

## WFPI FELLOWSHIP IN PEDIATRIC RADIOLOGY IN INDIA

Dear All,

WFPI-sponsored Pediatric Radiology Educational Opportunity is available in India from March - May 2020.

For all radiologists in India - Interested in a 3-month observership in Pediatric Radiology? Visit the WFPI-PGI [Observership Application page](#) to learn more about eligibility and apply. Online Application deadline: December 10, 2019.

The World Federation of Paediatric Imaging (WFPI) is an international organisation that provides a platform for pediatric radiology organisations united to address the challenges in global pediatric imaging training and service delivery.

Financial support for the Observer is \$3,000 US to cover transport and living expenses; \$1,000 US for the Host Institution

The program is designed to complement and expand basic specialist training in diagnostic radiology. During the 3 months of fellowship, observer shall be exposed to the various aspects of paediatric imaging including plain film reporting, various fluoroscopic paediatric procedures, ultrasound, CT and MRI.

The observer will also be required to attend and contribute to the academic meetings.
